CD 110
Dream **DELUXE**

Kuch Kuch Nahi

Sab Kuch Hai

Presenting the all-new CD 110 Dream Deluxe powered by the impressive 110cc engine with eSP Technology. It only means higher power and torque output without compromising on its superb mileage. That's not all, with great power and ride quality, you also get style and safety like never before.

CD 110
Superior Technology

110cc HET BS-VI Engine

Ahead of its time, the latest innovation in engine contributes to a cleaner environment. The intelligent HET engine delivers an unmatched performance.

Silent Start with ACG

Honda's unique ACG starter motor removes gear meshing noise and helps start the engine without a jolt.

eSP Technology

Honda's Enhanced Smart Power (eSP) technology maximizes performance and fuel efficiency by reducing friction. The ACG Starter integrated with eSP technology starts the engine quietly, giving you the best of riding experience and technology.

Friction Reduction Technologies

The piston cooling jet reduces friction and maintains optimum engine temperature. The offset cylinder and rocker roller arm fitted with needle bearing further reduces the frictional losses in the engine.

HET Tubeless Tyre[^]

Honda's low rolling resistance tubeless tyre is specially designed to increase fuel-efficiency.

CD 110

Great Style

DC Headlamp

Keeps a steady illumination, irrespective of speed and riding conditions.

Stylish Graphics

Attractive tank and side cowl graphics leave a lasting impression.

Attractive Body Colour Mirrors#

Complements the solid look of the motorcycle.

Impressive Chrome Muffler Cover

Enhances the style and looks of the motorcycle.

Graceful Silver Alloy Wheels

For an unmatched style statement wherever you go.

Better Comfort and Convenience

Integrated Headlamp Beam and Passing Switch

Integrated Smart Single Switch for passing signal and low/high beam.

Engine Start/Stop Switch

Start and stop the bike with a flick of a switch and feel ultimate convenience at your fingertips.

Longer and Comfortable Seat

Makes every ride comfortable for the rider and the pillion, despite the condition of the road.

CBS with Equalizer

The Equalizer Technology in Combi Brake System distributes optimal braking force between front and rear wheels ensuring shorter braking distance with rock-solid balance.

Seal Chain

Low on maintenance. High on durability. Welcome to the hassle-free riding experience.

MF Battery and Viscous Filter

With less maintenance required for MF Battery and Viscous Filter, here's the peace of mind you were looking for.

3 + 3 Years Warranty Package**

Complete peace of mind with 6 years warranty package, comprising of 3 years standard and 3 years optional service warranty.
